PROFESSIONAL SUMMARY

Aspiring Full Stack Developer with hands-on experience in Java, Spring Boot, React.js, and PostgreSQL. Skilled in responsive UI development, RESTful APIs, database management, and full-stack web application development. Seeking an entry-level software development opportunity to contribute to software projects and grow technical expertise.

EDUCATION

B.Tech in Information Technology | Dr. Sivanthi Aditanar College of Engineering 2022 - 2026 | CGPA: 7.79/10

HSC / SSLC | Central Higher Secondary School 2019 - 2021 | 68%

TECHNICAL SKILLS

- **Frontend:** HTML, CSS, JavaScript, React.js, Angular
- **Backend:** Node.js, Express.js, Java Spring Boot
- **Database:** MongoDB, PostgreSQL
- **Programming:** Java, C++
- **Tools:** GitHub, Microsoft Word, Microsoft Excel

PROJECTS

E-Commerce Mobile Shop | React.js, Express.js, MongoDB, Stripe

- Built a full-stack e-commerce platform with secure authentication, product management, shopping cart, Stripe payment integration, REST APIs, and responsive UI.

College Event Management System | React.js, Express.js, PostgreSQL

- Developed a full-stack event management system with secure authentication, event registration, certificate generation, administrative dashboard, REST APIs, and database-driven workflows.

Secure Socket Communications | Java, TCP/IP, SSL/TLS

- Developed a secure client-server communication system using Java TCP/IP sockets with SSL/TLS encryption, real-time data transfer, and multi-client connectivity.

Personal Portfolio | React.js, CSS | riwan-portfolio.netlify.app

- Developed a modern and responsive portfolio website with user-friendly UI/UX and optimized performance across desktop, tablet, and mobile devices.

INTERNSHIP EXPERIENCE

Internship | Postulate Info Tech Pvt Ltd Jul 2025 - Aug 2025

- Developed a secure client-server communication system using TCP/IP socket programming to enable reliable data exchange between clients and servers.
- Implemented data encryption and decryption techniques to enhance communication security and protect transmitted information from unauthorized access.

Full Stack Web Development Intern | digiSailor Feb 2025

- Developed a responsive e-commerce mobile shopping website using React.js, Node.js, Express.js, and MongoDB, enabling users to browse and purchase mobile devices online.
- Implemented RESTful APIs, product management, user authentication, and Cash on Delivery (COD) checkout functionality to support a seamless online shopping experience.

CERTIFICATIONS

- Full Stack Development
- Cyber Security
- Java Bootcamp
- CSS Web Design
- AI Fundamentals: Foundation for understanding AI
