Career Objective

Aspiring Full Stack Developer with hands-on experience in developing web applications using Java, Spring Boot, React.js, and PostgreSQL. Skilled in designing responsive user interfaces, developing RESTful APIs, and managing databases. Seeking an opportunity to contribute to innovative software projects, expand my technical expertise, and grow as a software development professional.

Educations

- **B.TECH - INFORMATION TECHNOLOGY WITH CGPA 7.5 - (2022-2026)**
Dr. Sivanthi Aditanar College of Engineering
- **HSC: 68%, SSLC: 75% - (2019-2021)**
Central Higher Secondary School

Projects

- **Personal Portfolio :**
Developed a modern and responsive portfolio website using React.js and CSS. Implemented advanced UI/UX design principles to deliver a clean and user-friendly experience. Optimized the interface for seamless performance across desktop, tablet, and mobile devices.
- **Secure Socket Communications :**
Developed a secure client-server communication system using Java TCP/IP sockets with SSL/TLS encryption, enabling safe real-time data transfer and multi-client connectivity.
- **E-Commerce Mobile Shop :**

Built a full-stack e-commerce platform using React.js, Express.js, and MongoDB with secure authentication, product management, shopping cart functionality, and Stripe payment integration. Developed REST APIs, implemented responsive UI, and optimized performance for a seamless shopping experience.

- **College Event Management System:**

Developed a full-stack College Event Management System using React.js, Express.js, and PostgreSQL with secure authentication, event registration, certificate generation, and an administrative dashboard. Implemented REST APIs and database-driven workflows to efficiently manage events and participants.

Intern Experience

- **Full Stack Web Development at digiSailor - (03 Feb 2025 to 19 Feb 2025)**
- **Postulate Info Tech Pvt Ltd - (01 July 2025 to 02 August 2025)**

Technical Skills

- **Frontend** : HTML, CSS, JavaScript, React.js, Angular
- **Backend** : Node.js, Express.js, Java Spring Boot
- **Database** : MongoDB, PostgreSQL
- **Programming Language** : C++, Java
- **Other Skills:** Microsoft Word, Microsoft Excel, GitHub

Strengths

- Quick learner with the ability to adapt to new technologies.
- Strong problem-solving and analytical skills.

Certificates

- Full Stack Development
- Cyber Security
- Java Bootcamp
- CSS Web Design
- Microsoft365(Excel, Word, PPT)
